

OPERATION BY DAI OFFENDERS

6552

(No.21 May 2016)

Responsibility

ALL

An offender may not be permitted to drive a vehicle of any type on a public road except in a case of extreme emergency. The operation of any equipment or vehicle, such as a CCV/ECT, sedan, forklift, or tractor, by an offender must be approved by the Division Chief and Camp Commander or Superintendent.

A review of the offenders initial CDCR 128G will be reviewed by the Camp Commander or Superintendent to determine eligibility for an offender to operate a vehicle. Except in an emergency, no offender will be permitted to operate a vehicle if they have any conviction or arrest history for Grand Theft Auto, Hit and

Run, Taking a Vehicle without the Owner's Consent, Reckless Driving, or Reckless Driving causing Bodily Injury or Property Damage. Such eligibility or restriction shall be noted on a CDCR-128G Chrono.

The offender must have received all appropriate training and operational proficiency examinations by CAL FIRE or CDCR staff member. The training and certification must be recorded and maintained on appropriate Injury and Illness Prevention Program (IIPP-6) forms and on an "Acknowledgment of Driving Rules" signed by the offender, CAL FIRE trainer and Camp Commander. A copy of the Acknowledgment will be provided to CDCR for inclusion in the offender's CDCR camp file.

Except under extreme emergency conditions, operation of vehicles by offenders must be confined to the following:

1. Within designated areas of the conservation camp property for purposes of fire protection or training.
2. Within designated areas of the conservation camp property for automotive or facility maintenance or construction.
3. Within a work project area that cannot be used as a route-of-travel by, and is not open to, the general public while the crew is present.
